

Eubanks Solutions partners with Mad Lit to bring you a fun night of Spades

- Game is to 7
- No jokers Ace high
- Spade laid is a spade played
- If you're caught reneging that is a loss of three books
- Each book over 6 for your team counts as 1 point (if you have 8 books in one hand, that's a score of 2 for your team)
- There is no bidding (takes less skill but allows for more games to be played and more people to play)
- Hope everyone has fun, enjoys the music, good luck, and thanks for coming and supporting!!!
